Dear Members of the Board of Directors:

We are writing to you on behalf of Kinetik S.à r.l. and Kinetik Finance S.à r.l. (collectively, “Kinetik” or “we”) which collectively own approximately 65% of the ordinary shares of Arrival S.A. (“Arrival” or the “Company”), making it the majority shareholder of the Company.

We write to express our concern about the state of the Company and the Board’s ability to oversee direction over the next several critical months. We believe that Arrival’s current value does not reflect its achievements to-date, its leadership position in the electric vehicle market and broader manufacturing industry, and its potential for growth and positive return for investors. We remain committed in our support of executive management as we believe they will navigate the Company through these difficult times.

We therefore request a meeting today to discuss the Board’s strategy and approach with respect to the Company over the next several critical months.

Finally, we continue to evaluate all of our rights as a shareholder. To the extent we believe you are not steering the Company in the right direction, we will take action.
